

Submit

WITH SEARCH ENGINES YOU HAVE TO BE IN TO WIN

Submit offers four excellent services for one LOW PRICE which will ensure that your website is well-represented by the search engines under a wide spread of keywords and phrases:

- ✦ Inclusion of your site in the Inktomi Paid Inclusion Program, whereby your site is included in all Inktomi search partners` search engines within 48 hours (MSN, AOL, Freeserve, HotBot etc) and re-indexed every 48 hours.
- ✦ Submission of five pages of your website every two weeks to the 50+ major global and regional search engines (Google, Yahoo web pages, Lycos, Altavista, Excite etc).
- ✦ Submission report by email every two weeks detailing which search engines you have been submitted to.
- ✦ Rank tracking report by email every two weeks detailing your position in the 40 largest search engines in the world under five key phrases that you supply.

Within one week of subscribing to Submit you will be well represented in the Inktomi partner search engines. Then in the following two to three months the major global search engines such as Google, Yahoo web pages, Altavista, Lycos and Excite will index your site.

Submit is the way to achieve good representation in all the major search engines globally and regionally under a wide spread of keywords / phrases specific to your business.
